Subject: 2024 Ontario Building Code: What's In and What's Out - April 24, 9:30am-11:00am

Please see below the registration link for our Enbridge sponsored webinar on the 2024 Ontario Building Code – What's In and What's Out to be held April 24th. We are very pleased to be presenting this session for all interested parties across the province. This is a FREE online webinar with speakers from the Ministry of Municipal Affairs and Housing – in partnership with Ontario Home Builders' Association, Ontario Building Officials Association, and Home Construction Regulatory Authority, and presented by Building Knowledge Canada & Enbridge Gas. This partnership will bring subject matter experts together to provide all builders, developers, HVAC's, Building Officials and interested municipal councils and staff the opportunity to delve into the details.

We will take attendees through a high-level description of the most impactful changes, transition provisions, and key dates to remember. There will be time at the end to ask questions so make sure to come prepared by [reviewing the regulations](#).

Date: April 24, 2024

Time: 9:30 - 11:00 AM (ET)

In Partnership with: OHBA, OBOA, HCRA
